DEPARTMENT OF GENERAL SERVICES
DIVISION OF PURCHASING AND SUPPLY
SPECIFICATIONS FOR JOHN DEERE MODEL 6430 TRACTOR**

PURPOSE:

The purpose of this specification is to establish a purchasing requirement for a John Deere model 6430 Premium Cab tractor and accessories, for use by the Department of Game and Inland Fisheries, Agencies, and other Public Bodies of the Commonwealth of Virginia.

SCOPE:

The following specifications are intended to define the minimum level of quality and performance of a quantity of one (1) John Deere model 6430 Premium Cab tractor with associated equipment. Where brand names are mentioned in text, the specifications are meant to be restrictive as to brand name or manufacturer. All equipment bid must be the brand name and model specified.

BIDDER REQUIREMENTS:

The equipment offered in answer to this request for bid must be a new and unused current production model of the equipment required. No prototype, or demonstrator, or rebuilt product will be accepted, and offering of such a product will be cause for bid rejection.

Bidders shall provide delivery for products offered, FOB destination. Deliver to Department of Game and Inland Fisheries, Dick Cross Wildlife Management Area, 6282 Buggs Island Road, Boydton, VA 23971, between 8:00 AM and 3:00 PM Monday thru Friday. Contact Mr. Danny Johnson at (434) 265-0167 not less than 48 hours prior to delivery. Provide delivery lead time after receipt of order (ARO), in the "DELIVERY TIME...." section provided at the end of the specifications.

The tractor must be put in service by a qualified representative of the contractor at the delivery location. The representative must demonstrate that the tractor and all installed equipment are operating correctly, with no defects in materials, manufacturing, or installation. The representative must operate the tractor all the installed equipment, and instruct user personnel in operation and safety requirements of the tractor and installed equipment.

Products provided must be warranted with the supplier's best warranty offered, to provide no-cost protection to the Commonwealth for correction or replacement as needed for defects in manufacturing, assembly, or parts. Minimum warranty required is 3 years or 1,500 hours engine and power train coverage. Provide documentation of warranty for the products offered in answer to this invitation for bid.
